Aryan Mandavgode

Full-Stack Developer | Founder of ARYONIX

Pune, Maharashtra, India · aryanmandavgode@gmail.com · LinkedIn · GitHub · aryonix.in

SUMMARY

Computer Science Engineering student and full-stack developer, and the founder of ARYONIX, a digital development agency building websites, applications, software, and SaaS products. Experienced in taking client requirements from concept to deployed product across frontend, backend, and UI/UX design. Interested in SaaS, product engineering, and building digital products that are useful, fast, and considered.

EXPERIENCE

Founder & Full-Stack Developer

ARYONIX · December 2025 – Present

- Design and build websites and digital products for real business needs.
- Own frontend and backend development, from architecture to deployment.
- Lead UI/UX design decisions with a focus on clarity and usability.
- Work directly with clients to shape focused, practical digital solutions.
